—WIN WIN COOPERATION . CO CREATE THE FUTURE—

LAB DETAILS

Bright Dental Lab is a cutting-edge digital lab, Founded in July 2007, specializes in providing Dentists and specialists with high-quality digital dental restorations. It is our goal to earn your trust by consistently producing quality work.

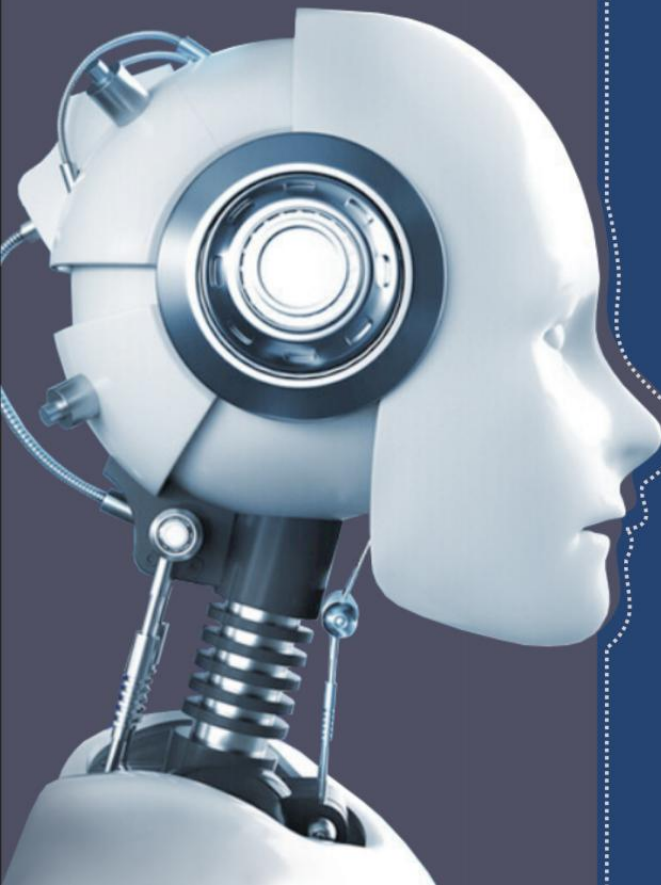

We produce fixed and removable prostheses. Besides being accurate and fast, we pride ourselves on the high quality of our materials, incredible fit in the patients mouth, and the best price-points for the exceptional quality we provide, Our team values integrity, providing high-quality products that reflect well on your office and enhance your patients' quality of life.

Because we truly believe that once you use our Laboratory Services, you will want to continue being our Partners. Besides being accurate and fast, Our skilled technicians are committed to accuracy and consistency, ensuring a comfortable fit every time, This allows us to adapt to your needs and the needs of your patients. Our team is determined to reach the highest level of customer service so that you can enjoy a great experience with bright dental lab.

We look forward to working with you and providing each patient with the most esthetics and functional restoration possible.

We have about more than 268 Technicians.

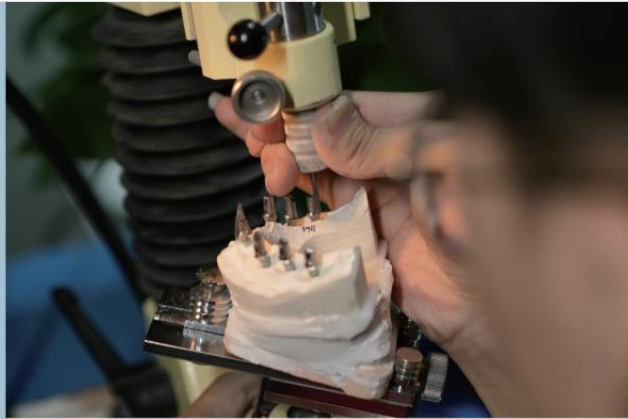

Certificate: ISO13485, CE, FDA etc.

As the Arun Sarin says that A brand is what a brand does. So we have a dream that we can provide the best products and service to all the world. If you have any questions or need more information, please contact us.
